Disclaimers & Terms

The tenant shall:

Keep in good order and condition at his cost, the whole interior of the premises as well as all the fixtures and fittings there-in, and on termination of the lease agreement shall deliver the same to the landlord/agent in such good order and condition as when he took occupation of the premises, fair wear and tear excepted. (Fair wear and tear means damage or loss to an item at the property which happens as a result of ordinary use and exposure over time).

Promptly replace at his expense any light bulbs, fluorescent tubes, starters, down lighter transformers, tap washers, remote control batteries, fuses and extractor fan filters;

Make good and repair at his cost any damage caused to the premises by the tenant, a member of his or her household or a bona fide visitor;

Keep the garden in a neat and clean condition, ensure sufficient watering of plants and lawn where applicable and shall return the garden in the same or better condition that it was at the commencement date of the lease agreement (NOTE: The cost of any garden service employed together with the cost of any material required to restore the garden to the same condition it was at the commencement date, will be for the tenant's account and will be payable upon demand);

Regularly clean working spaces in the kitchen, carpets, floor coverings and tiles;

Keep the premises in a clean and hygienic state and shall clean any mildew or fungus build-up on ceilings or walls;

Refrain from interfering with the electrical, plumbing or gas installations or systems servicing the premises, except as may be necessary to enable the tenant to carry out his/her obligations of maintenance and repair in terms of the lease agreement;

Take all measures to prevent blockages from occurring in the drains, sewerage pipes, water pipes and gutters serving the premises; The tenant shall remove at his cost any obstruction or blockage in any sewerage-, water-pipe, gutter or drain serving the premises except where such a blockage or obstruction is reported within 3 (three) calendar days after taking occupation in which case the landlord will be responsible to remove the blockage or obstruction.

Take all measures to eradicate any invasive pests of any nature that might occur during his tenancy at his cost except where such pests are reported within 3 (three) calendar days after taking occupation in which case the landlord will be responsible to eradicate the reported pests.
